Course equivalency/substitution information provided on this sheet will be used to post information to the Degree Audit module. Students have immediate access to their on-line Degree Audits, so it is important that we collect and enter this data for every transfer student. *See examples on reverse side.*

Return this form to the Academic Advisement Center with any advising notes. This document will be scanned to the students' digital file. Contact the Transfer Credit Evaluators if you have any questions.

Directions/Suggestions for completing this grid
